Project Poster Exhibition-2020

Project Poster Exhibition from final year teams of CSE has been organized on 27-02-2020 (Thursday) from 9.00AM to 4 PM. Venue: Param Lab .

Project Phase 2 –Milestone 1, which is progress review, will be evaluated by the evaluation committees of respective batches in this exhibition. Outstanding Poster exhibited and demonstrated under different categories in the **Poster Exhibition-2020** will be awarded with a **Cash price, Certificate and a Letter of appreciation** from the department. This will be a credit to the project teams and a prominent statement in resume. Decision will be taken based on the feedback of external judges.

This exhibition will also serve as a platform and point of contact for lower semester students of our department (including 4 th and 6 th semester's) to visualize, understand and explore different aspects of projects through observation and discussion. This will improve their understanding of current technologies and also motivate students to come up with Innovative ideas for Mini Projects and Major Academic Project.

Category 1: Creative Poster Design

- *Creative ways in composition and illustration (Posters should grab attention and be a quick read).*
- *Visually engaging graphical elements, layouts and headings. Contents having a logical flow.*
- *Minimized Text usage.*
- *Appropriate usage of fonts and color schemes.*

Category 2: Popular Project
